Our Mission Statement "A Church serving Jesus Christ through building strong families in our communities"

Dear Prospective Partner,

Mount Horeb Baptist Church will be hosting our 10th Annual Community Health, Wellness and Resource event on Saturday August 27, 2016 and you are invited!

10 years of promoting a healthier community, providing free health screenings on site, general medical and non-medical services and resources. With your support, together we can improve the conditions of our community. We are asking if you would join us in our efforts by sharing valuable information about your organization, increasing awareness and providing help to those in need of your services.

Please take a look at your resources. Volunteering your time will provide a powerful presence and send a positive message to the community that we do care.

If you're interested in staffing a table/booth, a registration form is enclosed.

Come Network, meet new people, educate and assess the challenges in our community.

Feel free to contact me for more information. I hope to hear from you soon

Angela Wright
Community Liaison Ministry Leader
